# JURY

## Elina Garipova (Russia)

Member of the Union of Photo Artists of Russia; Member of the Union of Photo Artists of Serbia; Vice President of the Art Portrait Association of Photo Artists; Ambassador of the International Association of Photographic Art IAAP (EIAAP); Member of the International Federation of Photography FIAP (EFIAP/b); Four-time world champion in photography (Italy 2020, France 2021, Greece 2021, Italy 2023);

## RYSZARD LOMNICKI (Ireland)

I am an award-winning landscape photographer from Poland, now based in Galway, Ireland. I am a Certified Judge with the IAAP GRAND MASTER distinction, a writer and speaker. I am Official Co-Photographer for Haida Filter, and a Brand Ambassador for Leofoto, Shimoda, and several other leading brands. I am also a member of the most important Photographic Associations. My work is published worldwide in the largest photo magazines and has been showcased in major photo exhibitions across various countries.

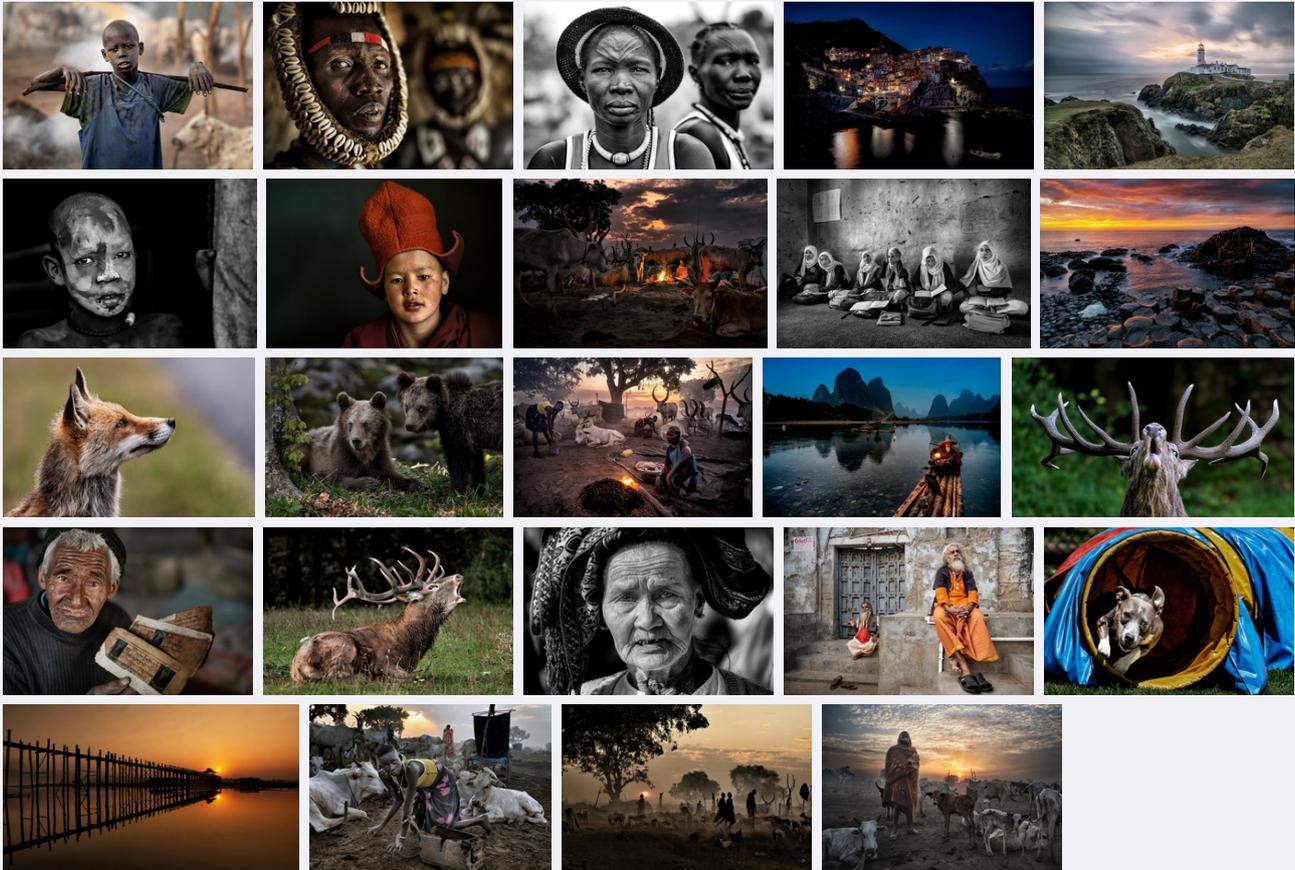

## Dimo Hristev (Bulgaria)

I am a creative photographer based in Bulgaria. I love creating epic images and using nature to paint my photos. Looking through the viewfinder of the camera, I am transported to vast worlds. The best thing about photography is that I express myself through it. I am a positive person and always see the beauty around us. I want to present this beauty to you and the world through my photos. We photographers are also artists who make something out of nothing, from a seemingly ordinary sight we can tell a whole story through a photo. I also have a favorite phrase that I want to end with and it is: "Beauty is everywhere around us as long as you have the eyes and soul of a photographer to see it"
